

West Milford Bears Hockey Organization

May 2009

Dear Patron,

The West Milford Bears Hockey Organization is planning our 4th Annual Golf Outing in hopes of raising much needed funds to support our youth hockey program. We are seeking donations for prizes to be given away and or Ruffled off to the Golf Outing participants. Merchandise, cash donations, or gift certificates are needed to ensure the success of this organized fundraising event.

Youth Ice Hockey is not funded by the Town, so we need to do fund-raising to help subsidize the cost to allow kids to participate. I know that these are trying times due to the economy, but we need your help. We want the kids to have the opportunity to play hockey in an organized environment, but it is difficult without helping to reduce the cost to the families involved. We as an organization, will do everything in our power to help all the children through these trying times. **"It's all about the Kids!"**

Your contribution will be greatly appreciated and your establishment will benefit by our acknowledgement of your contribution in a printed program that will be provided to all participants.

The event will be held on June 29th, 2009 at Black Bear Golf Club in Franklin, NJ. Please direct any donations or questions to:
